

ENTRY FORM 2010

INSPIRING INDUSTRY CAREERS

15th - 16th May 2010
Manfeild Park, Feilding

Future Beef NZ aims
to provide **young people**
from all **backgrounds** the
opportunity to learn
about and become involved in the
beef industry.

General Information

FBNZ invites all young beef enthusiasts to participate in the 2010 Hoof & Hook competition.

The FBNZ Hoof and Hook competition has been running for three years and has been a growing success story. There is no expected level of experience and we welcome anyone that may be interested. It is a great way to make new friends, and learn about the New Zealand beef industry through interactive modules.

You don't have to have your own steer to participate in the competition. Provided you send your entry form in on time, the FBNZ working committee can arrange an animal for you to borrow for the duration of the competition.

Competitors will be split into AGE based groups - JUNIOR, INTERMEDIATE and SENIOR - for the duration of the competition. This includes the module sessions, handlers and junior judging competition.

Participants are expected to find their own accommodation and a list of accommodation in Feilding is on page three. Some accommodation may give discounts to advertised rates if the FBNZ Hoof and Hook competition is mentioned at time of booking.

Entry Fee does include the "Beef Bash" meal on Sunday 16th May at Manfeild Park. Parents and friends of participants are encouraged to attend the "Beef Bash" and tickets will be available from Performance Beef Breeders NZ (no ticket no entry). The entry fee does not include any other meals.

Help and participation from parents would be greatly appreciated. The FBNZ working committee encourages parents, particularly of younger children to attend the duration of the competition.

Do you have a question or a subject involving the beef industry you would like to cover during the FBNZ Steer Comp (List below)

Stud Starta

IF YOU ARE BETWEEN THE AGES OF 17 – 30 YEARS OF AGE AND ARE MAD KEEN TO START A SIMMENTAL CATTLE STUD THEN WE ARE INTERESTED IN YOU.

Simmental NZ has TWO ELITE HEIFERS TO GIVE AWAY this year. The Simmental studs donating the heifers welcome your involvement with their stud and will run your heifer and her progeny for you if you don't own or have access to grazing.

The Simmental Cattle breed is one of the premiere breeds of the world

Please tick this box if you would like to be contacted with more information about the Stud Starta programme

and arguable one of the most flexible and popular. It is used as a Terminal Breed (all the progeny are slaughtered), as a Maternal Breed (the female progeny are kept as replacements) and some parts of the world are used in the Dairy industry.

This is an opportunity not to be missed. If you would like an entry form or require more details please contact Alastair at Simmental NZ:

Phone : 063234484

WHO TO CONTACT
FBNZ Co-ordinator: 06 323 4484

“THE EDUCATION OF YOUTH FOR THE PURPOSE OF INCREASING KNOWLEDGE & AWARENESS OF THE ANGUS CATTLE BREED.”

Over the last decade, the New Zealand Angus Association has been working towards establishing a program for the youth of the Angus breed. Driven by a small nucleus of people within the Association, the Council of the New Zealand Angus Association established the Trust after raising funds at a number of successful sales of stud heifers and semen.

Ever year the Trust offer two recipients the opportunity to travel to America or Australia on a scholarship/exchange.

SUMMITCREST SCHOLARSHIP

Aim *“to provide the opportunity for young people involved with Angus cattle to travel to America to further their knowledge and experience, allowing them to bring all they learn back to NZ”*

The scholarship is open to members of the New Zealand Angus Association who are under 31 years of age at the date of selection and who have not been selected previously.

The duration of the Scholarship is approximately six months – departure from New Zealand is in early January.

Summitcrest Farms is a very successful farming business owned by the Johnson family.

While at Summitcrest you will work alongside experienced cattlemen, learning about Angus cattle farming in the USA upon the three farms in Nebraska, Iowa and Ohio.

Summitcrest Farms will provide board and lodgings, along with pocket money. The people at Summitcrest are very much like a large family and will treat you as such.

You will be able to learn and participate in a lot of new things, both within and out of the cattle world. We guarantee you will enjoy it, having a lot of fun and making many new friends along the way.

Things you will experience at Summitcrest:

- » Visit Summitcrest ranches in Iowa, Nebraska and Ohio
- » Artificial Insemination (AI)
- » ORigen, Montana – Bull Collecting
- » Working stock in a yard
- » Preparing cattle for sale
- » American Culture – Super Bowl / Baseball 4th July and Patriotism
- » Hauling stock
- » 300 head cattle sales
- » Semen Collection
- » Horse riding – Cutting horses
- » Snow, snow and more snow
- » EMA and Ribeye Scanning

TRANS-TASMAN EXCHANGE

Aim *“to provide the opportunity for young people involved with Angus cattle to travel to Australia to further their knowledge and experience, allowing them to bring all they learn back to NZ”*

The exchange is open to members of the New Zealand Angus Association, their families or any Youth member between the age of 18-25 years.

The duration of the exchange will be approximately six to eight weeks, you will depart New Zealand in early to mid January.

The Exchangee will attend the Australian Angus Youth Leadership Clinic and the Landfall Angus Youth National Roundup.

The Angus Society of Australia will co-ordinate the Exchangee’s stay, arranging host families from among their members.

The host family will provide bed and board, and will regard the Exchangee as part of their family.

During the exchange you will not be employed in Australia but will be expected to lend a hand with stock and other farm work on the host property as required.

Conditions of Entry

1. Participants are to be between eight (8) & twenty-five (25) years of age as at 1st January 2010. If participant is under 18 a parent/guardian must sign FBNZ parental consent form.
2. FBNZ membership is required to attend the 2010 FBNZ Hoof and Hook Competition and a membership form can be found on page five.
3. **Steer classes:**
 - » Age of Steers will be taken from the 1st May 2010.
 - » All Steers entered will be divided into classes according to age and the number of entries after the entry closing date has passed.
 - » There will only be classes for steers
 - » Steers must be under twenty-four (24) months of age at time of competition
 - » Steers must have no more than two permanent teeth at the time of the competition.
 - » Any animal that is infected with ringworm must have a vet certificate stating that the animal has been treated or washed in the previous four (4) days with appropriate fungicide. Further washings are to be carried out on the showground under supervision of a FBNZ working committee member.
 - » Bedding will be supplied for all animals.
 - » There will be no weight restriction for steers. However for both "Hoof" and "Hook" Judging will focus more on carcass quality than weight.
4. There will be no subsidising of transport by FBNZ. However if you need help to find transport we may be able to organise lifts for people and cattle from common areas. Contact: Mark Stevens. 027 323 4481.
5. Nose clips or rings and neck straps are compulsory! All cattle must be led with a nose ring or nose grip and must be tied with a neck strap and a secure halter in the stalls at all times.
6. **Insurance:** Liability in relation to any cattle relates to the owner. It is strongly recommended that livestock owners are covered by a current Public liability policy that extends to shows. Liability in relation to participants and spectators at the FBNZ hoof and Hook competition is covered by Beef Expo.
7. Participants between the ages of 8 and 14 may only enter one animal each. Participants 15 years and over may enter up to three animals. There will be a charge of \$30 for each additional animal, and should there be a shortage of animals the exhibitor is encouraged to let a participant without their own animal borrow the extra animals. If animals are borrowed the \$30 fee will be refunded.
8. All Steers require an Animal Status Declaration form. Please advise the TB status of your animals. All steers must have been tested Clear for TB within 12 months prior to May 15th. No steers will be accepted from a TB infected herd regardless of the steer having a Clear test.
9. Management and control of the FBNZ Hoof & Hook competition will be in the hands of the FBNZ Executive and their decision shall be final.

10. Disruptive and unacceptable behaviour from exhibitors and spectators will not be tolerated. Unacceptable behaviour may lead to disqualification from competition and/or removal from grounds.
11. There will be no smoking in the cattle sheds, toilets, eating area.
12. Adequate footwear must be worn at all times. Jandals and sneakers etc are not acceptable.
13. No alcohol will be permitted on the grounds. Competitors and spectators not abiding to this rule will face immediate disqualification and removal from the grounds.
14. Any form of advertisement is not permitted to be shown during the Future Beef Hoof & Hook Competition unless they are an official sponsor of the 2010 Hoof & Hook Competition. Advertising signs from sponsors will be displayed on the FBNZ Trade site and around the ring during the competition.
15. On Saturday night adults will be hired to supervise cattle pavillion overnight.
16. FBNZ Executive will not take responsibility for the competitors after programmed activities have finished.
17. All electrical equipment must have an in-line circuit breaker as required by law.
18. The herdsperson and Beef Ambassadorship competition is judged over the three days. Aspects taken into account by roaming judges will include participation, teamwork, citizenship, presentation, and animal care. To score well in this competition older/more experienced participants will need to help their buddy.
19. Participants whose parents/non-participant friends prepare their animal for them will not score well in the Herdsperson events.
20. While everything is done to ensure the safety of participants and their animals and every care will be taken by those in charge of the FBNZ Executive, the Executive is not responsible for any accident or sickness that may occur through any source whatsoever. It must be clearly understood that each participant will only be permitted to attend the Hoof & Hook Competition on the understanding that the participant or parent/guardian signing this form agrees to indemnify the FBNZ executive against any claim.
21. Hoof & Hook entry fees are refundable prior to the 14th April 2010. No refunds will be made after the 14th April 2010.
