Future Beef NZ aims
to provide **young people**
from all backgrounds the
opportunity to learn
about and become involved in the
beef industry.

General Information

FBNZ invites all young beef enthusiasts to participate in the 2018 Beef + Lamb NZ Future Beef Hoof & Hook competition.

The FBNZ Hoof and Hook competition is in its twelfth year and has been a growing success story. There is no expected level of experience and we welcome anyone that may be interested. It is a great way to make new friends, and learn about the New Zealand beef industry through interactive modules.

You don't have to have your own steer to participate in the competition. Provided you send your entry form in on time, the FBNZ executive will endeavour to arrange an animal for you to borrow or share for the duration of the competition.

Competitors will be split into AGE based groups - JUNIOR (12 & under as at 8th May 2018) INTERMEDIATE (13-17 as at 8th May 2018) SENIOR (18-25 as at 8th May 2018) - for the duration of the competition. This includes the module sessions, handlers and junior judging competition.

Participants are expected to find their own accommodation during the event. A list of accommodation is available in Feilding on page 3.

All steers must be penned by 6.00pm on Friday 11th May. Those going for Ambassador will be required at Manfeild 5pm on Friday 11th May for interviews

Entry fee includes lunch on Saturday and Sunday but does not include any other meals.

Entry Fee includes the "Beef Bash" on Saturday 12th May at Manfeild stadium. Parents and friends of participants are encouraged to attend the Beef Bash alongside the competitors for dinner, drinks and entertainment. Please write names of all those attending on the entry form and include additional payment for non-participants when submitting your entry.

Help and participation from parents would be greatly appreciated. The FBNZ executive encourages parents, particularly of younger children to attend the duration of the competition.
